Teacher's commentary notes

- **Academic Assessment** should be given by the faculty, not Guidance.
- **Computation of Risk** and prioritization.
- **Parent Account** and Notification.
- **Privacy on chat.**
- **Behavioral notes** should be sent also to the Guidance Counselor.

Here's the things they have said to us to improve and what to apply more

-is assessment will be taken per quarter? (when to take)
- does the assessment is take home or sa school? If sa phone ititake, allowed ba sa school ang cellphones?)
-be sepecific sa grades kung paano at sino ang magttake ng assessment
-teacher ang magloload ng assessment
-ano ang magiging computation or formula para sa prioritization for tagging ng at risk students– NEED NG PROCESS OR FLOW NG PAG COMPUTE

For Parents
-Scheduling, how to notify
-if high risk ano muna ang gagawin
-for UI saan makikita yung notification ng assessment

Dialogue flow

- Data pre-defined
- Privacy policy
- Agreement- chechekan nila
- All of the data ay para magamit

Gemini- end- point

Psychotrician

Language barrier

- Checkbox

Behavior notes
-dapat direct sa guidance counselor
- lahat ng data dapat direct na notification

Push notification ano need at applicable
